Wynne asked me to pass on an invitation to Program Review Th. 4/20, esp the OP update section (see slides 25 and later). She's interested in our thoughts on the approach that's being considered. I'm not exactly sure when OPs will be discussed, so I'm suggesting you come at 10:30 or earlier (probably SRO at that time). Copying Tim and Monisha so they'll know Wynne extended the invitation. Sj
